

MAIN STREET TO MAIN STREET MULTIMODAL CONNECTOR PROJECT  
MEMPHIS, TN  
STAKEHOLDER QUESTIONNAIRE

This project involves major infrastructure improvements on Main Street from Henry Avenue in Uptown to East Carolina Avenue in the South Main District. The purpose of this questionnaire is to provide Downtown property owners, business owners, and residents the opportunity to communicate their concerns and give feedback to the project team. Our team is committed to mitigating any inconveniences and disruptions that might arise due to this project's scope of work.

It is our privilege to be involved in this exciting project that will ultimately make Main Street and Downtown Memphis more attractive to businesses, residents, consumers, and the general public. Please answer all of the following questions that apply to you and return to Reed Bowen at [rbowen@zcs-llc.com](mailto:rbowen@zcs-llc.com).
