

# LIST OF MAGICAL GUESTS – EXPANSION PACK #1

## 5 m, 5 f – all optional

**The expansion pack has a full set of materials for each character listed below.  
You can play any combination you wish from the expansion pack.**

	NAME	BIO	SUGGESTED ATTIRE
	<p><b>PROFESSOR SNAPEL</b> <i>Potions Master</i></p> <p><i>Optional male</i></p>	<p>Professor Snapel’s toxic personality can be rather intimidating at times - especially to the students of Hogsbrew University. Snapel is a dedicated Professor of Magical Potions and does his job with vigor and integrity. Sometimes, however, he is known to take his job a tad too seriously.</p>	<p><i>Black cloak and robes. Optional vials of potions as props.</i></p>
	<p><b>MASTER METEO</b> <i>Powers of Meteors</i></p> <p><i>Optional male</i></p>	<p>Master Meteo works closely with the federal government as he has the power to draw upon energy from outer space to control meteors. Recently, he was called to intercept a meteor headed for Earth! This energetic wizard also has the skill of Power Negation - he can cancel out another magical being’s power for any length of time, but at the price of his own.</p>	<p><i>White or gray cloak and robes and a long staff. Long white wig as an optional prop. Optional to make ‘meteors’ out of Styrofoam as optional props.</i></p>
	<p><b>HEXIE KARTHEGEON</b> <i>Powers of Charm</i></p> <p><i>Optional female</i></p>	<p>Hexie Karthegeon is the elusive witch with the powers of Charm. She is also quite skilled at Shapeshifting. She can transform into inanimate objects <i>at will</i>. This makes some folks a tad nervous, as they never know if Hexie has ever truly left the room.</p>	<p><i>‘Cute witch’ costume. Optional to have a wand as a prop.</i></p>
	<p><b>LORD RAKNORE</b> <i>Powers of the Sea</i></p> <p><i>Optional male</i></p>	<p>Lord Raknore is a cold-hearted warlock who lacks even a scrap of emotion. Nobody in the Magical Community has seen Lord Raknore ever crack a smile - much less laugh or have fun. There must be a big tradeoff to be strong at the powers of the Sea...<i>and the tradeoff must be personality for power!</i></p>	<p><i>Pirate-like wizard costume with a cloak and wizard scepter or wand.</i></p>
	<p><b>MORTICIA MADAS</b> <i>Powers of Mayhem</i></p> <p><i>Optional female</i></p>	<p>Morticia Madas is one of the friendliest witches in the Magical Community. She is ultra-loving and a total blast to be around - even though she specializes in the dark magic of Mayhem. Morticia is known to make up poems about the situations around her, and she loves to perform them in front of others. Too bad she is void of talent when it comes to performing!</p>	<p><i>Gothic attire. Witch’s wand as an optional prop.</i></p>

	<p><b>PROFESSOR M<sup>c</sup>CLANOGL</b> <i>Powers of Healing</i></p> <p><i>Optional female</i></p>	<p>Professor McClanogle is a long time Professor of Analytical White Magic at Hogsbrew University. She is a very dependable witch gifted with the powers of Healing. This lovely magical healer can cure anything with a flick of her wand...that is...anything besides <i>death!</i></p>	<p><i>White robes and a white long hair wig. Optional scepter and / or wand. Package of Band-Aids as an optional prop – as you are a healer.</i></p>
	<p><b>GOMEZ THE GNOME</b> <i>Gnome</i></p> <p><i>Optional male</i></p>	<p>The frugal and over-inquisitive Gomez the Gnome is the most notorious being in the Magical Community. Known to be quite intellectual, this devious gnome will keep you entertained with bad jokes and ill-behavior.</p>	<p><i>Gnome attire – blue shirt, brown pants, red pointed hat and a white wig/beard.</i></p>
	<p><b>ENDORA HILDEGARDE</b> <i>Brew Specialist</i></p> <p><i>Optional female</i></p>	<p>Endora Hildegard is a young witch who uses witch's brew concoctions to play cruel tricks on the non-magical humans (snurbs). Endora is the wildest and most irresponsible witch in the Magical Community. She needs to be counseled by her elders about appropriate witch behavior!</p>	<p><i>Traditional witch's costume. Optional to have a mini cauldron as a prop. *You can put dry ice inside the cauldron for a fun smoky effect but be careful and follow the instructions for handling dry ice!</i></p>
	<p><b>TOLDIVORT</b> <i>Powers of Darkness</i></p> <p><i>Optional male</i></p>	<p>The fiery Toldivort is a very powerful warlock with severe anger management problems. Combined with the practice of dark magic - his personality is certainly volatile! Toldivort is one of the strong leaders of the Magical Community and is very well-respected...even if he is one of the most powerful dark magicians in the world!</p>	<p><i>Burlap cloak and dark face makeup (optional). Optional to carry a staff or a scepter /wand.</i></p>
	<p><b>PERSEPHONE RANGER</b> <i>Powers of the Earth</i></p> <p><i>Optional female</i></p>	<p>The quirky Persephone is ultra-entertaining and a total blast to be around! This witch possesses the powers of the Earth and weird enough – she has a strange aversion to the word 'it.' Persephone has a mini conniption fit each time she hears 'it' and her speech changes into a different foreign accent!</p>	<p><i>Long purple robes, optional to have a wand or a scepter.</i></p>
