WHAT TO BRING ALONG:

- ✦ Scripts: Please bring along your own. I am happy to offer suggestions and to help with sourcing of specific pieces as required
- ✦ The 8 pieces should be a mixture of monologues and narrative pieces which showcase your range and should include examples of the following:
 - comedy

- classic drama
- extract from a modern book - I suggest choosing a paragraph or a few paragraphs (around 1 - 2mins when read aloud) that contain both narration and dialogue between characters. Choose an extract that is different in style from any of your dramatic pieces and that suits your natural accent and age, from a book that you could see yourself being booked to record
- contemporary monologue
- at least one piece in your native accent or dialect
- at least one piece in each of the other accents you wish to showcase
- a poem or similar piece

THE PROCESS:

- ✦ After initial contact we will schedule a 30min phone consultation to discuss your requirements, your voice experience and skills and what you would like to include in your reel
- ✦ Once a recording session has been booked for a specific date and time, I will send you information and T&Cs for the session and an invoice for the **non-refundable £100 deposit**
- ✦ Once the deposit has been paid, and 1 week before your session, I will send your formal booking confirmation

PLEASE NOTE: *The booking is ONLY confirmed once the deposit has been paid. Scripts will not be sent until the deposit has been paid.*

- ✦ Prior to the recording session, you select the 8 scripts you wish to record. We'll have plenty of recording time on the day, so feel free to bring alternatives as extra options
- ✦ On the day of the recording session we will record your selections of scripts in the studio. It's a very relaxed process with lots of chances for breaks and cups of tea! Please feel free to bring along lunch and snacks, a fridge and microwave will be available for your use.
- ✦ Following the recording session your tracks will be mixed in the Sounds Wilde studio with music and effects and the finished results sent to you within 3 weeks of the recording session, or as otherwise advised
- ✦ Once you have been sent the finished results, you can request *up to 2 major changes and several minor changes to the mixed recordings at no extra charge*, bearing in mind that tracks cannot be re-recorded without extra studio time being booked
- ✦ Any subsequent changes will be charged at £10 per change requested.
- ✦ Once you are happy with the mixes and tracks, I will send any edited versions and your final invoice. I would appreciate it if you could provide a written testimonial for Sounds Wilde®
