PRESIDENT'S MESSAGE

Quilters Quote: Put your pedal to the metal and "Quilt"

Oh my, what a wonderful time and group we had at our guild meeting this month. Thanks to Dorothy Welton, Vice President, for leading our Beach Party meeting with games, great food, fantastic sundaes and root beer floats at the end. It was great to see the members sit back relax, laugh and have fun. When you see Dorothy, give her a hug for a job well done.

Are you interested in serving the Guild in a new capacity? It is nomination time for our guild. There are several positions that will be open for 2018. I will be posting the open positions soon. For those of you who are new to the guild, I want you to consider taking a position on the board. Job descriptions for the chair positions will be available to members next month. If you are interested, or have any questions, please contact me.

I promise to keep things short and not use up all the newsletter space. Thanks to all of you for being so willing to help make our guild a fun and productive group. **Jeanette Akin 868 5305**

PROGRAMS Firstly, I would like to thank all of you who graciously jumped in on making our Beach Party meeting a success last week. Many of you volunteered ideas and games, others were very helpful in getting decorations up on the walls. Also, thank you to the hospitality crew who both brought and helped serve refreshments. ALL of your efforts were very much appreciated by yours truly.

Now, for our **program in September**. We will be visited by Natalie Larson of Redding. Her trunk show features quilts that she offers in workshops, and also some designs of her own creation. She has a new take on some patterns that may look familiar. Hopefully we will all be inspired to perhaps try a new technique or find a new purpose for some of our scraps.

Moonlighter Chairman's message:

It's good to see all your smiling faces at our meeting. I even remembered Pats raffle stuff this meeting. It's now the Dog Days of summer and nice we have had some cooler days lately. The dinner tonight was delicious. Thanks to the food committee and Dorothy M Smith for stepping up at the last minute bringing a salad for Fran. Larger bags are needed for our round robin challenge, they will be available next month. We still have two more months and the projects are outgrowing the original bags.

Jan Owens brought batting, backing and some quilt tops to be finished for community service. DorothyMS brought fabric to be used for making boutique items. We still have a year for each of us to complete five items for next year. We had many beautiful show and tell projects shown to us. Wow, ladies you all rock.

JOB OPENING. After 3 years of organizing quilt raffle tickets, collect members' monies for same, and keeping the financial part of members tickets straight, I will not be doing it another year. There is a detailed job description available either through me or President Jeanette. It is not hard. A few evenings doing the nitty gritty of stapling tickets together and once a month doing the financial part. The ticket venue person works with you to keep all the financial stuff up to date and getting the money to the treasurer.

I have been a member since 1995 and am ready for a break from duties, just want to come and enjoy the camaraderie. The Guild was a big part of helping me get through the loss of my husband several years ago and I am so thankful for that.

Time to sign off. Have great day!
