

Drunk

words and music by Brian Davis; © 2011 do you smell that music

v1

I wanna get drunk just to feel something more
Than the nothing that I'm getting from you
Just to know that there's something inside
That makes me feel good, I wanna get drunk

ch

There has to be more than this
There has to be more than this
There has to be more than this
And deep inside I know there is

v2

I wanna make love to my computer screen
To a goddess who knows exactly what I need
Who can satisfy my lust and make me feel
Like I'm a real man, I wanna make love

br

There's so much more I think I need and so little of you that I can see
That I can feel, that I can know, where are you when I want you?
Where are you when I want you? Where are you when I want you?

v3

I wanna eat because the feast that you provide
Won't satiate this hunger that's growing deep inside
I wanna taste and see that this world is good
I wanna eat, oh I wanna eat
