Secretary, Patti Sutherlin, called the meeting to order at 7p.m.

Patti Sutherlin reported that next year, background checks and Lobby Guard would be required for all volunteers. If you are a parent and volunteering for the year or on the boosters committee, a limited background check can be done free with Gwen Scrogam in the school office. Staff members and truck drivers that we hire have to have a full back ground check. If a parent is volunteering only once or twice, they can use Lobby Guard in the office the week they are volunteering.

Treasurer, Erin Flick, gave the treasurer's report:

- Savings \$4,512.62
- Band Checking \$3,316.00
- Choir Checking \$12,691.00
- Student Accounts \$3,000.00 +

\$5,000.00 is still owed by students, which is due by May 1st

Choir will be paying for 23 students and 3 chaperones to go to NYC soon.

\$3,400.00 has already been spent towards marching band season for 2016-17.

Buck Creek Twp. trustee is purchasing a sound system for the band.

Erin suggested everyone check with employers to see if they will match donations.

Band Report:

Mandatory meeting for all marching on May 2nd at 7pm. All past due fees due at thattime!

Fund-raisers:

Mulch fund-raiser going to student accounts. Boosters must buy by the pallet. Greendell Landscape Solutions also has a "give back" program; the band program will earn 10 percent of all sales made at their business.
