

Hello from The Locals!

Lumberjack Days 2018, Stillwater's Historic Community Festival is coming up in July.

We would like to invite you to participate as a non-food vendor in this year's Lumberjack Days. It was a great festival in 2017 (with great vendors) and we would like to see you back or if you are new to this event, we would like to welcome you to be a part of history.

Applications are now available online at <http://lumberjackdays.com/>

The key dates are:

- LJD 2018 - July 20, 21, & 22
- Food Vendor Applications/fees/etc - due by June 1, 2018
- Set up July 19<sup>th</sup>
- Tear down July 22<sup>nd</sup>

## Note!!

### Green - Recycling & Compostables

Lumberjack Days will be Green by 2022. Therefore, **all** packaging and containers distributed will need to be either recyclable or compostable **by 2022**.

*Based on input from many of you and last year's event we have made a few changes/additions:*

**Application Forms** - This year applications should be **submitted via email**. Paper copies are not necessary or required. Checks are to be sent via mail. Remember your application is NOT complete until you have submitted **ALL** necessary forms and paid the appropriate fees. Please submit all forms at the same time/together to save us all some time.

**Electricity/power** - at LJD portable generators are **not allowed**. The Locals will provide power based on availability and first requested (complete applications/fees/etc...). Please note that 120v/50a is very limited in Lowell Park. To use electricity, you **MUST** apply and include the cost in your application fees.

**Booth space/size/fee** - This year we are providing **two** sizes of booth spaces with corresponding fees. You need to select the correct space to fit your booth. If you do not fit into one of these three booth sizes, contact The Locals for a custom booth space & fee.

**Optional Vendor Parking and product transport (*not finalized*)** - we are working with an owner of a nearby lot for space that vendors can park and for transportation (including reasonable amount/size of product). If we are able to coordinate this there will be an additional fee which potentially would be a charitable donation.

We will communicate with you as this develops or as things change.

If you have further questions, please contact us at: [vendors.thelocals@gmail.com](mailto:vendors.thelocals@gmail.com)

Thank you for your participation Lumberjack Days and for making Stillwater's Historic Lumberjack Days a success!!
