

Jessie Fritsch Encaustic
BEESWAX ▪ PIGMENTS ▪ TREE RESIN ▪ PAINTED AT 180°F ON WOOD
A Buzz in Art ▪ Beeswax Paintings

7 Hour Workshop: Painting with Encaustics \$795

Plus mileage & travel expenses if more than 30 miles out of Stevens Point, WI.

- 8 person limit.
- supplies included in cost
- The space must provide the four tables, updated electrical with multiple electric outlets, and proper ventilation.

Warning: Encaustic vapors can be an irritant for some people, especially those with respiratory problems. It is best that demos are done near a window for ventilation or building has cross ventilation.

- I provide four encaustic work centers. Two people per encaustic station. Each station will include one electric griddle, heating iron, heat gun, paints, wax, brushes, palette knives, carving tools, paper towel, slick wax, paper, masonite panels, temperature regulator, table coverings and gloves. Each person will get one 5x7" or 6x6" birch cradled panel to work on. *Additional panels available for \$10 each.*
