F# C# D#m  
As with gladness men of old

Did that guiding star in lands behold

As with joy they hailed its light

Leading onward, beaming bright

## VERSE 2

As with joyful steps they sped  
To that lowly manger bed  
There to bend the knee before  
Christ who heaven and earth adore

## CHORUS

F#/A# B C# F#/A# D#m  
So, most gracious Lord, lead us ever- more  
B C# F#/A# D#m  
To your mercy seat, surrender at your feet  
B C# A#m7 D#m  
All our treasures bring, to Christ our King  
B C#  
And sing, Hallelujah! Hallelujah!

## VERSE 3

As they offered gifts most rare  
At that manger plain and bare  
So may we with holy fire  
Give our lives for Christ's desire
