What a work the Lord has done by His saving grace
Let us praise Him, every one, in His holy place
He has saved us gloriously, led us onward faithfully
Yet He promised we would see even greater things

Greater things, greater things

Verse 2:

Sanctify Thy name, O Lord, by Your people here
From the altar or the sword, save us from our fear
When the battle rages fast, help us in the fiery blast
Let us not be overcast; prove Your greater things

Verse 3:

Every comrade, Lord, we pray You will richly bless
Lead us forth into the fray, one in holiness
One in faith and harmony, one in perfect charity
Then we know that we shall see, even greater things
