

## **King of Victory**

Anthony Celia

### **Verse 1**

we were once all dead  
the sickness had gone and spread  
to our souls, our flesh and bones

### **Verse 2**

our hearts were hard and cold  
from the curse of old  
but YOU made us new  
YOUR love broke through

### **Chorus**

we are saints  
and we're redeemed  
by the blood of our righteous KING  
lift your voice and sing  
to our KING of victory

### **Verse 3**

from the dust we rose  
and to the dust we'll go  
but we will rise  
in JESUS CHRIST

### **Bridge**

all glory and honor  
to our GOD who saves  
all glory and power  
to our KING of kings
