

Beautiful

Anthony Celia

Verse 1

breathe on me
o SPIRIT of the living GOD
and calm this storm
that rages inside of me

Verse 2

speak YOUR peace
over my broken soul
take the pieces
and make something beautiful
make something beautiful

Chorus

so take my rage and take my hate
take my lust and take my shame
take this skin that's prone to sin
and make it beautiful

Verse 3

my heart is a stone
hard brittle and cold
carve away LORD
and make something beautiful
make something beautiful

Bridge

YOU speak life over death
YOU command dead bones to rise
so call my bones to life
