**Profile:**

- I am a Composer / Sound Designer / Sound Engineer with over 15 years experience working on TV, Radio, Commercials & Film in London.
- I also have 15 years extensive experience of the music industry working as an engineer, composer and producer which all started at AIR Studios, Hampstead.
- My music has been published, released and broadcast by BBC, Channel 4, ESPN, Five, EMI, BMG, Focus Music, Discovery, Pump Audio, Disney and many more.
- Supporting my creative knowledge I have an honours degree in audio and music technology and extensive practical experience of technical workflow for broadcast.
