Key of G  
Written by Nate Moore

## Verse 1:

4        5        6m  
I'll never be the same  
4  
Because you've killed my flesh  
5                    1  
And changed my name

## Verse 2:

The old is gone and the new has come  
You've crowned me with life  
And called me a son

## Chorus:

4                    5  
Oh, oh, oh, oh  
6m                5  
Oh, oh, I'm alive!

## Bridge:

6m  
The power of the Cross  
5  
Has reconciled the lost  
4                    5  
Now I am free, You've set me free!

The beauty of the blood  
It is finished, it is done  
The battle is won, it's already won!
