

Glorious King

words and music by Marty Mikles

INTRO: F F/A Bb Ab C F F/A Ab Eb/G (2x)

VERSE 1:

F F/A Bb Ab C
I want to sing You a song from deep in my heart
F F/A Ab Eb/G
And lift up to you all of me, every part
F F/A Bb Ab C
But what can I sing that hasn't already been said
F F/A Ab Eb/G
So many others have offered their words instead

PRE-CHORUS:

Dm F/C Bb C
There are no words left to discover, besides You, O Lord, there is no other,
Dm F/A Ab C
For You deserve all of the honor and all of my praise...

CHORUS:

F F/E Dm Bb
You are my beautiful, glorious King
F F/E Dm Bb
Master and Savior, Ruler of everything
Bb C F F/A Dm
And when I open up my mouth, sometimes all I can do is shout
Dm/C Bb C F (back to intro)
Your love has figured me out – it's to You I sing

VERSE 2:

So I raise my voice – I hope that it's blessing Your name
And I lay myself down at Your feet – Lord, rid me of my shame
And I'll enter Your gates with thanksgiving in my heart
And tell You what You are to me, but where do I start?

BRIDGE:

Dm C Bb
Unto You who can keep me from falling
Dm F/C Dbmaj7
And present me blameless before Your holy face
Dm F/C Bb F/A
Unto You be the majesty, glory and power, authority, honor, dominion and praise
Bb Ab C
From both now, both now...to forevermore
