

## EXPERIENCE

---

2011–Present **Creative Industry Liaison, Career Center, Columbia College**, Chicago, IL

- Advising students and recent alumni from multiple departments in career and portfolio development.
- Presenting custom-integrated group presentations on a range of creative career topics.
- Creating and producing industry engagement programming, including portfolio reviews, networking events, mentoring programs, cross-departmental coordination and strategic communication initiatives.
- Preparing and connecting students/alumni with internship and employment opportunities.
- Conducting outreach and acting as a representative of the college in the professional community.
- Contributing cross-functional leadership and support in strategic planning, operational innovation, interdepartmental coordination and collaborative initiatives.
- Reporting and advising on industry trends and best practices throughout college community.

1999–Present **Fine/Commercial Artist, Rob Funderburk Studio**, Chicago, IL

- Producing and marketing original artwork, illustrations and commissioned projects.
- Designing for various corporate, educational and B2B publishing and communications clients.
- Illustrating for a variety of publications (*TimeOut Chicago*, *Chicago Tribune*, *Poetry Magazine*, *Featherproof*)
- Conceptual rendering for custom vehicle manufacturers (*Coachmen*, *Centurion Vehicles*), patent litigation (*FST Consulting*, *Chicago Winter*), and theatre/performance (*Andrew Bird*, *Redmoon Theater*).
- Leading art installation teams on large-scale construction projects (*Grand Luxe Cafe*, *Cheesecake Factory*).
- Handling and installing sculptural artwork (*Marx-Sanders Gallery*, *Heller Gallery*, *ArtTransit/Howard Elliot*).

2005–2010 **Art Director, National Restaurant Association**, Chicago, IL

- Led in-house graphic design and production teams in support of product development, educational programs, international marketing and communications and major events.
- Collaborated with wide range of stakeholders and media specialists on multiple concurrent projects, including UX/UI and instructional design teams, authors, editors, SMEs, colleges, regulators, legislative and policy experts, sponsors, project managers and marketing communications.
- Chaired design team in complete overhaul of flagship product line (*ServSafe*, 5th edition; multiple languages) to improve learning retention and completion/certification rates.
- Led design production team in development and launch of 10-volume managerial training program (*ManageFirst*, 1st Edition).
- Managed innovation and implementation of interactive content development templates for network of contributing authors and editors, which streamlined editorial and production cycles over 65%.
- Directed photoshoots and new image acquisition procedures that saved over \$100K within first year.

2002–2004 **Art Director, Publications International**, Lincolnwood, IL

- Translated stationery product mock-ups (deluxe photo albums, gift books, and games) into production-ready files and assembly instructions for overseas manufacturing.
- Designed original suites of art and custom tooling for multiple product lines.
- Managed day-to-day prepress and production correspondence with international vendors for multiple product lines.
