

Comments on petition asking Fred Weil to step down from his position on the MOFD Board

Christopher Kniel	Disgusting and pathetic. More than a violation of the public trust
Bailey Lee	Public funds are not to be personal piggy banks for the well-connected.
Bruce London	The events described in the petition speak for themselves.
Name not displayed	Their actions were duplicitous and not in the best interest of the citizens of the community. All decisions by public officials should first address, "what is the best interest of the people we serve?"
Tom Trowbridge	Mr. Weil's actions contributed to the staggering amount of unfunded public pension liabilities we face in our society today. It is a national disgrace that leaves a staggering burden for our children and grandchildren.
Allan Horn	Mr. Weil should be grateful that the taxpayers are only demanding his resignation and not demanding he go to jail
Karin Carroll	i have been following this fraudulent situation for years. i am very happy that someone is still keeping this incredible decision alive and doing something about it. thank you so very much. karin carroll , thank you to you!!
Daniel DeBusschere	Your actions are counter to the public trust and interest. Please step down now
Tom Wolfman	More transparency needed. Less closed door politics. Get real!!!!!!
Anne Lagache	I'm disgusted with his behavior and concur that resignation is the least he could do.
Rachelle Halpern	Can this be challenged and rescinded? It's outrageous.
Frank Lew	Such good ol' boy back scratching at taxpayer expense should not go unpunished
Name not displayed	Outrageous behavior...he needs to go!
Robert Weiss	Can we get the money back that Nowicki got over the past six years that he wasn't entitled to?
Thomas Roberts	Public Pensions are a ticking time bomb that WILL cause giant problems for state and local taxpayers in the future.
Thomas McCormick	Enough is enough - bad management is costing and has been costing the people of the Lamorinda area for too long and too much.
Fred Herkenhoff	A significant break in public trust and responsibility
Mark Maiorana	Stealing from the taxpayers is reprehensible.
Name not displayed	How does Weil have the nerve to stay on the board and live in the Lamorinda area after what he did? You'd think he would resign and move away in shame! Barring that, let's do everything we can to get him off the MOFD Board.
