### Financial

-We are still waiting for a few bills from Penske for cab rental.

-State Finals hosting went really well from both a performance standpoint and hosting. We received a lot of compliments. Ticket sales brought in \$9,004. ISSMA receives 60 percent of that amount. Concessions brought in \$1,750. We had 460 people come in that had programs stamped from the Lawrence program. We aren't sure how the funds will be handled that were paid at Lawrence.

Current Account Balances:

Checking Account- \$49,616.51

Savings – \$8,722.64

### Committee Reports

**Hospitality-** The banquet went well. Parent support is really appreciated. The kids were well taken care of and ate well for the whole season.

**Uniforms-** Had a steady group of people washing uniforms. It was nice to have a group of people that took a section and were responsible for them for the entire season. The uniform room will be organized probably after the holidays. It was noted that the shoulder pads are the part of the uniform wearing out the fastest. An Idea was brought up to sew new shoulder pads to help the uniforms last a few more years.

**Fundraising-** World Finest Chocolate sales starting the end of the month.

Spirit Wear order is currently online. Items will be back in time for Christmas. Sale ends on December 5<sup>th</sup>.

There will be a Dine to Donate event at Culver's Hamilton Town Center location on December 11th. We need volunteers to work.

There is Snow Whirl callout meeting planned for November 13<sup>th</sup>. For Snow Whirl we need volunteers from Friday night to Sunday. Snow Whirl has been an increasingly popular event, so we need as many people to help as possible. Princess Snow Whirl will take place the day after Snow Whirl. Last year's attendance more than doubled the prior year attendance. We are still expecting it to be a well-attended event.

**Spirit Committee-** The cafeteria worked well for the banquet. The decorations looked great and turning down the lights really helped to set the atmosphere.

**Communications-** Mary Jo Adams has been taking care of Facebooks posts and the video for the banquet. Lots of parents shared photos which helped make a great end of season video.

**Equipment-** Cabs were rented from Penske after the first week.

**Scrip-** Watch for percentages to go up around Thanksgiving. There are also more places doing e- cards. 1<sup>st</sup> and 3<sup>rd</sup> Tuesdays are when the orders are due and placed if you are getting a plastic card.

Misty Staton motioned to adjourn. The motioned was seconded by Brooke Nigh.

Meeting adjourned at 8:21 p.m.
