

Ian Fry;

Of all my encounters and collaborations with fellow musician-composers few bring me as much joy and enlightenment as working with Ian Fry. He is a consummate percussionist-educator who excites and encourages everyone he encounters. For the brief period that I taught him drumset applications it became very quite obvious to me that I was learning as much or more than I was teaching. I have had the good fortune to perform with Ian on many occasions and his enthusiasm, knowledge, and talent are always at the highest level. I recommend him without reserve.
