## Workshop January 5-6-7

**JANUARY WORKSHOP (3DAYS) BINDING DEMONSTRATIONS** Right now I plan to be there the 3 days. Right after lunch, I will give the binding demonstrations on great mitered corners and neat invisible closures. Then you can practice before getting back to your project. You will need to bring the following. Using a fat quarter (18 x 22) cut it into three 2 1/2" strips x 22"; 1 strip 6" x 22" and one strip 7" . Sew the 2 1/2 strips into one long strip, folded and pressed in half lengthwise. This will be your binding.

It will be helpful to bring batting and backing cut to those sizes also. (But not for the binding.) There may be scraps of batting and backing at the Grange and I will bring some also. Muslin or another fat quarter will work. I always get positive remarks by the fair judges

on my bindings so I hope the tips I show will be helpful. See you then.! Terri
