RESIDENTIAL ART WORKSHOPS

BOOK ARTS: AN ARTIST HANDMADE BOOK

with instructor Rachel Siegel

SUNDAY, JULY 30 - SATURDAY AUGUST 5, 2017

Make an artist's book, using handmade papers, a variety of binding techniques, and non-traditional materials to highlight your unique art. You'll see your work transformed into a beautiful presentation piece in just five days as you master book making skills.

About the Creative Arts Community

Every summer since 1966 the Creative Arts Community has provided unique residential workshops at Menucha, a retreat and conference center that overlooks the spectacular Columbia River Gorge, just 20 minutes east of Portland, OR. Our secular non-profit group rents the facilities at Menucha the first 2 weeks of August. We offer creative workshops with hands-on exploration in a beautiful peaceful setting.
