

## **Our Call**

This is our call  
To lay down our arms  
This is our call  
To speak the truth in love  
This is our call to die to ourselves  
This is our call  
To glorify your son

It's not about who's right or wrong  
Unite us now and make us one

*We repent and turn to you  
Sanctify our hearts and make us new*

This is our call  
To roll up our sleeves  
This is our call  
To show our faith in deeds  
This is our call  
To submit to your will  
This is our call  
To shine your light in the world
