This application must be accompanied by a certificate described in Ohio Revised Code Section 147.02, no judge or justice shall issue such a certificate until he or she is satisfied from personal knowledge that the applicant possesses the qualifications necessary to properly discharge the duties of the office of notary public, or until the applicant has passed an examination under such rules and regulations as the judge may prescribe. Because the practice varies among counties, it is recommended that an applicant for commission as a notary public begin by inquiring of the bar association of his/her county or the clerk of common pleas court as to the procedure required by the common pleas court in his/her county.

Reminder: Ohio Revised Code section 147.05 provides that, before entering upon the duties of the office, a notary public shall present his/her commission to be recorded (with the oath endorsed therein), with the clerk of court of common pleas of the county

To Be Completed by All Applicants (New or Renewal)

This certificate must be made by a justice of the Ohio Supreme Court, judge of an Ohio court of appeals, or judge of an Ohio court of common pleas. (Currently, justices of the supreme court decline to sign such certificates.)
