**W**hen you  
first become  
a dog owner, it  
is very exciting  
and fun.

**R**emember,  
though,  
your dog needs  
you to be a  
responsible  
owner for  
its lifetime.

**I**t's true –  
your dog  
is your  
best friend  
when it comes  
to play, but you  
have to be  
your dog's  
best friend  
when it comes  
time to  
provide care.
