

## JUNE: PLEIN AIR WORKSHOP WITH SERGIO ROFFO.

Saturday, JUNE 1 & Sunday, JUNE 2. 9 AM to 4 PM, daily.

Paint with American Society of Marine Artists Fellow, Sergio Roffo, along our stunning coastline using an *Alla Prima* approach (in one sitting)

As a winner of countless national awards, Mr. Roffo is a widely collected artist, one well respected by his peers. He is a member of the Guild of Boston artists, an elected Fellow of the American Society of Marine Artist, an elected ARC Living Master and Copley Master at the Copley Society of Boston.

In his two day workshop, Sergio will focus on the techniques and principles of Plein Air oil painting for coastal marine landscapes. Each morning will begin with Sergio discussing the aesthetic issues and techniques of art as he demonstrates and completes a field study, encouraging fellow artists to observe:

Sometimes you learn more by observing and memorizing than actually painting. While he strongly encourages students to observe his demonstrations, they will have the option to paint alongside (Sergio Roffo). **For more on the artist check out his website: [www.SergioRoffo.com](http://www.SergioRoffo.com)**

After the demonstration, students will receive individual instruction and personal encouragement while completing their painting *Alla Prima* or all in one sitting. In case of bad weather class will meet at Ellis House and Sergio will teach how to paint from photos.

The objective of this two day course is to sensitize the class to the principal aspects of outdoor painting, including:

- ❖ Learning how to see nature's details.
- ❖ Understanding the interplay of light and shadow.
- ❖ Knowing how to mix the right colors.
- ❖ Eliminating the fear of outdoor painting.

This course is open to oil painters of all levels.
