

**Breathe In**

Anthony Celia

**Verse 1**

breathe in and know that HE is GOD  
breathe out all your hate and doubt  
breathe in the SPIRIT of our GOD  
breathe in

**Verse 2**

breathe in and trust HIM at HIS word  
breathe out all the worries of this world  
breath in the grace HE gives today  
breathe in

**Chorus 1**

may the peace of GOD  
rest upon your weary soul  
may the BREAD of LIFE  
bring healing to your bones  
and may the empty grave  
give you strength today  
for HE alone is love  
CHRIST alone is love

**Verse 3**

breathe in the air that left HIS lungs  
breathe out all the sinful things you've done  
breathe in the redemption in HIS blood  
breathe in

**Bridge**

breathe in and know that you are loved  
breathe in you're covered by HIS blood  
breathe in and know that you are loved  
HIS blood is always enough  
HIS love is always enough
