PRESIDENT'S MESSAGE

This 200 year old hand pieced quilt was in Dove Cottage, William Wordsworth's home in Grasmere, Yorkshire, UK. We are having a wonderful time. Everything is green. I promise to come soon,
Marla Vaughn 990-3115

V-President: In Marla's absence, I would like to submit a few comments to our members following the June meeting. Yvonne Phenici was most enjoyable, and gave us many examples of various, row quilts, round robins, and some versions of "mystery quilts, and blocks". Some would involve large groups, some are very suitable for a small group.

As Jan Abramson explained at the meeting, those of us with computers will be furnishing the information on our quilts, for the quilt show, online this year. This will spare the ladies preparing the cards attached to your items, having to type all of the information themselves. Those without internet capabilities will prepare a descriptive entry form as we have in the past, and then someone will enter that information into the computer program for you. We hope this will save time and energy to get this part of the process completed. My compliments to Jan and her helpers for getting this task handled.

If any of you are interested in trying English Paper Piecing, Jean Drane and Jan Nielsen are doing a class to get you started at the July 21st meeting of the Moonlighters. Their meeting starts at 6:00 p.m. with a quick dinner, and then by 6:30 p.m. the regular meeting gets under way. Please contact Jean to get the details on the class. Her phone number is 533-3985.

One last thing, be on the lookout for interesting plants that can be dried and used as part of the decorations at our quilt show in the Fall

Dorothy Weldon 533-2826

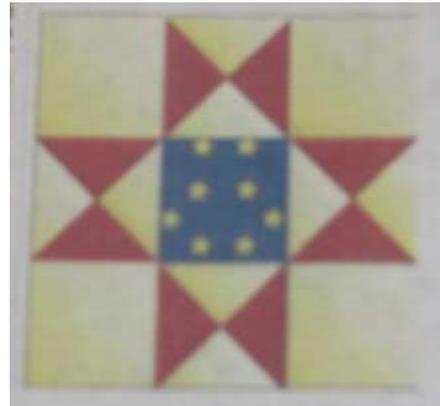

Programs: Our program for July will feature two ladies from the Mt. Lassen Fiber Guild. This organization puts on the Fiber Fusion event out at the Patrick Ranch each year. At the Fiber Fusion event they are shearing sheep, carding, cleaning and spinning the wool, and then making a shawl. Wendy Ardell and Lori Mason have volunteered to represent the Fiber Guild, and give us an overview of Wool Felting and its uses. For those who currently do wool appliqué, or those of you curious about making garments or purses, for instance, this should be very interesting. This will be another opportunity to expand our field of knowledge as fiber artists. See you all then. **Dorothy Weldon**

QUILT TICKETS Just two members left to pick up the required 3 packets of 6 tickets (\$15). For the rest of you, might you consider picking up one more packet to SELL. Most of you seem to have purchased your first batch of tickets for yourself. You are probably thinking all your friends have seen the quilt at one or another of our venues, but I'll bet there is someone who hasn't. We have a few members that have regularly picked up additional tickets to sell. Thank you. I do bring the tickets and photos to every meeting, so no excuses for not getting more.

We are at almost \$5000 profit with many more venues to come. It is a popular quilt
