Aspect/Ratio is delighted to welcome you to a multifaceted event entitled *The Dear Friend*, which features a performance by A.J. McClenon, a reading by Karen Finley and a conversation about having and being a dear friend moderated by Dana Berman Duff.

This event marks the closing of *What Does She See When She Shuts Her Eyes*, a collaborative video and sculpture installation by Sabina Ott and Dana Berman Duff. The topic was inspired by Sabina Ott as a model, but the subject will be deep and vital friendship in whatever form.
