BIG JIM'S GEMS

Timing is everything. Timing is critical. Most individuals assume that it is *luck* or *coincidence*. These folks don't realize that God is in charge of Time! As Sovereign, God either permits or causes every event to bring Him honor and glory. His creativity is all about Himself. There is no luck, no coincidences. Timing is about God and God alone! To realize what Timing is, you can begin to see just how much God's hand is on your life!

On Sunday, Oct 27, after the Fellowship Meal, Sue and I headed for Amarillo for the Southern Baptists of Texas Convention's Annual Meeting. At 4:35 PM, on Hwy 287, four miles east of Corrigan, TX, an 8-point buck jumped in front of our truck. The deer did not survive our encounter at 75 m.p.h.! But we did! Only the bumper was damaged. We resumed our trek toward Amarillo and even with this delay, we felt we could arrive in Amarillo just a little after midnight. So, we decided to plow ahead! Somewhere east of Wichita Falls, on a lonely stretch of US 287, at 10:30 PM with no traffic in sight but one lone vehicle up ahead, I'm cruising along at 81 m.p.h. in a 75 m.p.h. zone. That one car up ahead was...that's right...a black and white! In the middle of nowhere, in a 75 m.p.h. speed zone, I'm not too concerned about getting a ticket for going 6 miles over the limit. But, I told Sue, "He's going to stop me. It's a lonely night, and he has nothing to do." Sure enough, he pulled up and turned on his lights. I stopped and gathered my license and insurance info. After finding out there was no emergency and that we were headed to a convention, the trooper went back to his car (I told Sue that there was really no obvious reason for him to stop me or write a ticket). He returned with a warning ticket. Then he asked, "What do you do in Beaumont?"...I pastor a church... "Then I have a question for you," he said. At which point I turned to Sue and said out

loud, "This is the reason he stopped me! He needed a question answered and God put us together." For the next 20 minutes, we had Bible study with this trooper on the side of Hwy 287 in the darkness of the night! It was great! Everything timed out just right to put us together so that *Divine Encounter* could take place! It wasn't luck, fortune, or coincidence! It was a God-thing! With believers, these *Divine Encounters* happen all the time! But do we pay attention? In Galatians 4:4, Paul states that at the right time, God sent His Son to the right place to do the right thing so that all mankind could be made right with Him! If God is speaking to your heart, the time is right! And, in God's timing, last month God sent Lilly Murph to be a part of WEBC! Welcome, Lilly! Sunday, Nov 10, we will honor our fourteen veterans in the morning service. In God's timing they were available for service. By God's protection, they returned to us. In His providence, they are a part of our community of faith! We Thank God for them! Bless you, Vets...everywhere!
In God's timing, He took Dion Ainsworth from us. While Dion's family continues to deal with God's timing in this event, so does CLCI! Pray for us as we are obedient to God's plan for Shepherd's Inn and Calvary! More than ever, I am convinced that our best days are ahead!
Winning Edge's evangelistic crusade to our prisons, Dec 5-7, is in need of volunteers now! If you will volunteer, contact Sue Downing at 409-835-0192. Bless your hearts for all you do for our Lord!
In Christ Alone!
