Rap Lyrics:

I know that you're weary, I know that you're tired
 I see the hurting and I see the fake smile.
 I see the frustration, I see all the tears
 But don't worry, cast away doubt and fears
 Even when bank account is getting low
 Even when dark and you feel all alone
 Even when pain courses through all your bones
 Even when it feels like you've lost control
 The one foretold, He has appeared
 Those who are weak, He draws them near
 When skies are dark, He makes them clear
 With Christ on our side, whom shall we fear
 The Son will break through all this dark
 The healer will mend broken hearts
 He has conquered our death
 He has given new breath
 The Light of the world, has come
