

# MISSION

CMA provides musical training at no cost to financially disadvantaged children, and you can help!

# Central Music Academy

# IMPACT

98% of students go to college, many with music scholarships. CMA has changed the lives of 950+ children.

*“Studying at CMA has allowed me to gain leadership skills and mentor others.”*

Simone, cello student

**100%**  
  
high school graduation rate

**18** different instruments taught

**35,000+**

free lessons given since 2004

**2/3**

of teachers working on master's or doctorate in music

CMA is a nonprofit 501(c)(3) organization that uses the power of music to improve the lives of at-risk youth in Lexington.

"My son was always a shy boy who struggled in school. Now, however, he is an outgoing young man who is knowledgeable in music. I could not be more proud of his accomplishments and drive. CMA is largely responsible for this transformation."

Sherri, CMA parent
