# BIG JIM'S GEMS

It is exciting to see how history is moving right along with Scripture! Christian, don't despair at how bad things are getting! God, in His Word, said that this would happen. Rather than despair, our faith should be strengthened! Mortal man has not predicted what God, in His providence, has designed to come about. Indeed, men are trying desperately to turn the tides of time to fit their agenda and desires! While they think they are being successful, they are actually conforming to God's plan for the ages by falling into Satan's trap! Don't be deceived. Life will become increasingly tough and hard for followers of The Way. But when it seems the darkest, look up! Your Redemption draweth nigh! He is coming back for His own! Just how bad will it get for us? Not as bad as it will for those who are left behind when Jesus raptures His beloved Church! Scripture says that the experience of the Tribulation will be unlike any suffering known before to humans!

The question for us is not about then, but what about now? "How now shall we live?" I believe we should live in faith, trusting God and not leaning on our own understanding. I believe we should live in family, sharing in the community of faith with our resources, encouragement, help comfort and compassion. We need one another. As the writer of the book of Hebrews wrote, "...all the more as you see the day approaching." I believe we should live fearlessly among men. After all, what can they do to us? We should share the message, be the witness, be the ambassador for Christ that He has called us to be. Meet needs, be Christ in the world. Remember, this world is not our home. We are just passing through. As Job said, we brought nothing into this world and it is for sure, we can take nothing out! So, what is there to lose, your life? But Christians have already lost that to Christ. "Take up your cross and follow me! If a man isn't willing to die for me, he cannot be my disciple!" I also believe we should live fearfully of God! We must reverence Him, stand in awe

of His majesty and glory! He is God and there is none other! Focus on Him, don't take your eyes off Him and His plan for your life and the ages. Besides, the best is yet to come! Jesus said that eye has not seen nor has it entered into the mind of man what God has prepared for them that love Him! So, be encouraged little flock! The Great Shepherd of your soul knows you, loves you and has great plans for you! Be faithful over a little! He will make you ruler over much!

Our first annual Valentine Day Fish Fry was such a success, we are going to do it again next year! Thanks to all who made it a rousing success, especially our 'fryers'!! In the meantime, we have several more *calendar events* in the works for each quarter coming up! Watch the bulletin for details!

Consider these for ministry opportunities: in the past, we have hosted Jody Ainsworth's piano recitals in May. I believe our faith community could assume the refreshment part of the activity and impact 75 or so families for Christ! Also, Stephen Jester might utilize our auditorium for orchestra concerts from two local middle schools. We could do the same for Stephen and his students! And don't forget Girl Scout Twilight Camp in June! Maybe we could volunteer to help and interact in the various activities. As we find opportunities to impact the kingdom, may we seize the opportunity!

Bless your heart for all you do for our Lord, His kingdom and His church!  
 In Christ Alone!  
 Big Jim
