

Art Guide Application Form

Art Guides serve as important members of the museum's team; they are on the frontlines, sharing knowledge about the museum's permanent collection to student and adult tour groups. Art guides are required to attend one training session per month to become familiar with the museum's collection and to learn how to give the three most popular tours; Native American Illinois, Experience Egypt and Continents and Cultures. Since most of the tours are taken by students, art guides must be available to give tours during school hours. Art guides receive Free Membership to the Museum and enjoy special privileges such as access to behind-the-scenes art tours and museum programs.

Date
