## PRESIDENT'S MESSAGE

If you come early or stay late at any guild meeting, or help behind the scenes in the storeroom or at home, then I am sure you are aware of all the hard work that goes into running the guild. Early before every meeting, someone (many someones) is/are faithfully unlocking the doors, setting up equipment, organizing tables, and putting out food and making sure that everything is in order for the guild. A speaker has spent a lot of time, energy and resources to make sure that we have an inspiring presentation at the meeting. During the meetings, the storeroom is often a place of intense activity as mercantile objects are sorted, fabric and batting are cut, and a general inventory is taking place. When the meetings are over, everything gets, put away, the building is cleaned, and doors and gates get locked up. At home before the meetings, block of the months are prepared, fat quarters planned, food organized, and raffle baskets are put together, the opportunity quilt is taken to many different venues, basket items are solicited and donations are organized, and boutique items get made. In addition, the newsletter is sent out to keep members informed, the website is maintained, and an immense amount of discussion, planning, and just plain hard work continues to assure a successful quilt show. Please take a moment to think and thank all the people working

behind the scenes to make this a successful guild. As the quilt show draws near as well as the time to elect new officers, please volunteer to help make a difference to the show and the guild. You will be surprised at how much you are able to accomplish!  
**Marla Vaughn** 990 3115

**V-President:** We don't have a program currently planned for our September general meeting. But we will be working on all the last minute details for the quilt show. Also it will be necessary to make sure we have all of the items that will be hauled down to the auditorium organized for each committee.

**Our October meeting will be held on Thursday, October 13th.** Our featured speaker will be **Patricia Knoechel, from Quilt In A Day.** The program will feature their newest publications: The book is: Quilts from El's Attic (a reference to Pat's sister Eleanor Burns)

New Patterns: a combination of Modern Quilts: Moon Dance, and Hatched. Also Classic Quilts: Thousand Pyramids, Crazy Ann, Water Wheel, LeMoyne Star.

Patricia always does a great program, and there is always a shopping opportunity for rulers and books. Please invite any of your quilting friends, regardless of whether they belong to the guild or not. **We will have our usual program at 10:00 a.m. in the morning, then Patricia repeats her show, at 6:00 p.m. in the evening for the Moonlighters** and any other interested quilters who would like to attend **Dorothy Weldon 533 2826**

**Workshop September** - Getting Ready for the Show sleeves, bindings and labels. If you are ready, bring a personal item to work on or a

community service project. In October there is No Workshop **November Workshop – Celtic Knott** taught by Dottie Elliott

**Fat quarter:** The theme for Sept. is AUTUMN: trees, foliage, field or garden harvest. Hope last month's winners can come up with some cute kid's comfort quilts. **Terri Russell**

**QUILT TICKET SALES:** Looks like everyone did well on their individual retreat sales and WOW! on the Berry Creek sales of over\$500. I am busy getting everything recorded. Three more biggies left: the Butte County Fair, Salmon Festival, and Fiber Fusion  
**TerriRussell**

**Personal note.:** My shoulder is healing nicely and I just might be able to finish my last two entries for the quilt show. Getting a quilt through the machine proved to be the most difficult thing to do.

Just a reminder: if you would like me to post pictures of your beautiful quilt (preferably with you smiling and standing beside it!) on our website, please send them to me at [aphorne3@yahoo.com](mailto:aphorne3@yahoo.com), or via our guild email address ([orovillepiecemakers@gmail.com](mailto:orovillepiecemakers@gmail.com)). Also, two requests have come in via our email account; if you can be of assistance, please contact the person listed directly. Janis Short ([janisshort1@comcast.net](mailto:janisshort1@comcast.net)) is looking for someone to make a set of pillows out of her (recently deceased) mother's blouses, as a remembrance for her and her sisters. In addition, Jaci Siehl is looking for someone with a longarm machine to baste her large (110"x130") quilt top. Thanks! Happy Quilting,

**Please remember the newsletters are published on our website. So you can see them if for some reason your email is not accepting the newsletter that is being sent to you. Pass this information on to other members and friends.**

**Community Service** We are getting close to the show and we are all busy putting finishing touches on our show quilts. Lots of folks took the

3' squares and some 7.5' squares. If you can turn in a community service quilt, that would be great. I would like to have a big variety to choose from for the show.

### **A note about the library**

If you see me at any of the meetings the library is open.

If You want something all you have to do is ask me and I will be happy to open the cabinets so you can check something out.

We have an extensive library and we also have quite a few stencils that can be checked out. If there is a particular book you would like to have in the library let me know. There is a small budget and I can purchase a couple of books.
