January 2019 News...

Welcome to 2019! We are excited for the new experiences to come as we embark on this brand new year! My staff and myself are excited for some upcoming courses to keep us fresh and current in early learning and we are setting new goals as well as working to complete past goals set.

We love observing the children and adapting to their interests so that we can teach them using what inspires them. This may change by the month, the week, or even the day. Right now we are going off an interest for fish and for playing family so you will see we have added some aspects of these into the environment. I am considering getting a pet fish too! We want to continue adding nature into the program as well as getting the Stars outside to have some time in nature as well. We are also always looking to incorporate more culture into the programs and welcome your suggestions.

I have had a new toy made by my fabulous Uncle, simply incorporating screwing and unscrewing nuts onto bolts with their fingers to increase finger strength which is important for writing and other fine motor activities.

Again, I welcome any ideas you have as I am always striving to improve my programs!

Happiest New Year Hugs from Little Star Staff!

Children need the
freedom and
time to play.
Play is not a luxury.
Play is a necessity.

Kay Redfield Jamison

Dates to Note

Jan 1–Jan 6
Closed

Jan 9th:
Yoga with Miss
Heather-Ashley

Jan 16th & 17th:
Wear a Hat to School
