Coming from the north side you'll make a left where the two highways join at Honalo (You'll be about 8 miles south of Palani Rd/Queen Kaauhumanu junction). This left turn is just past the 114 mile marker (green & white on left side of highway coming up) and there are "rumble strips" in the highway, warning that you're coming to a turn (the highway continues on a slow turn to the right: Kainaliu/Volcano).

When you turn left you will be immediately at a stop sign at Mamalahoa highway. Kona Coffee Villas (3 story apt. building) is a ways down the road to your left.

GO STRAIGHT AHEAD, ACROSS MAMALAHOA ONTO THE ROAD THAT SAYS "DEAD END".
(This is Hooper Rd or Old Government Rd.)

About 300 feet up that road there's a rock wall w/plants & red rocks on your right. Kona Coffee Villas (3 story apartments) & a chain link fence are on your left.

Turn right Go to the top of the road—approx ½ mile. Park below the arena. (Please do not drive in to the barn area.)
