

# Revolution

Words and Music by Phil Laeger and Marty Mikles

## Verse 1:

G                    D/G    Em            C  
We're tired of institution, we want a revolution  
G            D/G                    C    [F(no3) F#(no3)(2x only)]  
We wanna tell the world that Jesus saves  
G            D/G                    Em            C  
We're tired of playing church now, we wanna change the world now  
G            D/G            C                    C.....  
We wanna be about the love He gave

## Chorus:

G    C/G  
Come on, come on, join the revolution  
F/G    C/G  
Come on, come on, join the revolution  
G    C/G  
Live out this song, be the revolution  
F/G    C/G            G  
Come on, come on, join the revolution

## Verse 2:

Show us Your revelation, we want to reach the nations  
To proclaim the wonders of Your awesome love  
We're tired of sitting by now, we want to lift You high now  
And see revolution set the world on fire

## Bridge:

Am                    C                    F                    C/E  
Time is short, we want to see Your promises fulfilled  
Am                    C                    F                    C/E (D 2<sup>nd</sup> time)  
Life is life and every life is worth the blood You spilled (x2)
