

## **Passover Me**

Words and music by Anthony Celia

### **Verse 1**

Your blood is on my doorpost  
And you know what's inside  
But you judge me by the blood  
Yes, you judge me by the blood

### **Verse 2**

My sin is still before me  
I'm sinful from my birth  
But you judge me by the blood  
Yes, you judge me by the blood

### **Chorus**

Passover me,  
Yes, you passover me  
'Cause now you see  
The blood of my king  
Covering me

### **Verse 3**

Your wrath is good and just  
For I have done you wrong  
But you judge me by the blood  
Yes, you judge me by the blood

### **Verse 4**

My debt requires payment  
But I'm poorer than poor  
But you judge me by the blood  
Yes, you judge me by the blood
