

OWY Teacher Training Book List

Required Book List:

1. *Hatha Yoga Pradipika*, Swami Muktibodhananda
2. *Anatomy of Hatha Yoga*, David Coulter

Due to some controversy in the yoga world and some recent changes in understanding that have resulted from this controversy, OWY's teacher training book list is under review. We will definitely be requiring the 2 books listed above as well as three more which will be decided by July 1. If you are interested in learning more about why we are making these changes read Practice and All is Coming by Matthew Remski.
