words and music by Brian Davis; © 2011 do you smell that music

v1

So make your list of all the reasons why it all fell apart  
And make your list of all the ways that you've been wronged  
And all the hurt you've caused

ch

But this is not the end  
This is not the end, though it feels like giving up  
This is not the end, this is not the end, no  
'Cause everything begins again

v2

So raise your heart to the one who heals  
And sets the captive free  
And raise your hands  
Though they shake, they can still be used

v3

And raise your voice, though it cracks through the tears  
And cry the tears  
Let them wash away the pain and the fear

tag

Let hope arise, let hope arise  
Let it flood your heart, let it dry your eyes  
(repeat)
