

How to Order

Dye-sublimation

1. Contact scuteyloo@yahoo.com to request size samples in the style you're interested in.
2. Send us your logo. We accept [.psd](#) and [.ai](#) files. There is an art charge for other files. Our graphic designer will work with you on logo/image placement and colors. We'll print out color options based on your logo and send them along with your size samples.
3. Send us a sketch of your jersey design or a detailed description of your custom jersey.
4. Once we have a digital file, we'll send it to you to perfect. This usually takes 2-3 rounds for approval. We can send you miniature print of your jersey at your request.
5. Send us your order form (provided by us)
6. OK your order before it goes to print
7. Printing and sewing!

Please keep in mind that this process typically takes about *8 weeks* for your initial order. This time can be increased/decreased during the approval process.

Stock-Fabrics

1. Contact scuteyloo@yahoo.com to request size samples in the style you're interested in.
2. Visit Spandexhouse.com or Spandexworld.com to order samples of prospective fabrics.
3. Choose your fabric, ScutiePie will order.
4. Send us your order form (provided by us)
5. Sewing!
6. Printing (We'd be happy to refer you to our favorite screen printer for this)

This process usually takes *4 weeks* to complete, but can be increased/decreased during the fabric selection process.

Re-orders

Re-orders take about *2 weeks* to be completed. For a re-order form, please contact scuteyloo@yahoo.com
