Dear Occupant: unlikely  
two lines ever intersect.

Here: some number, what  
weather, overlapping.

A landscape this:  
bruise-blue, grasses patchy.

Ask of any interrupting  
wall: whose?

Such quantities: how many  
escapees' plans dashed?

Ladder winnowed, up  
which who's shimmied,

lit out into  
enigmatic, intimidating

distances, swiftly  
as a prisoner

learns what's a weapon:  
anything.

Check appropriate  
boxes accordingly.
