Oinochoe

**Ancient Egyptian pottery techniques as shown
in tomb paintings c. 2000 BCE**

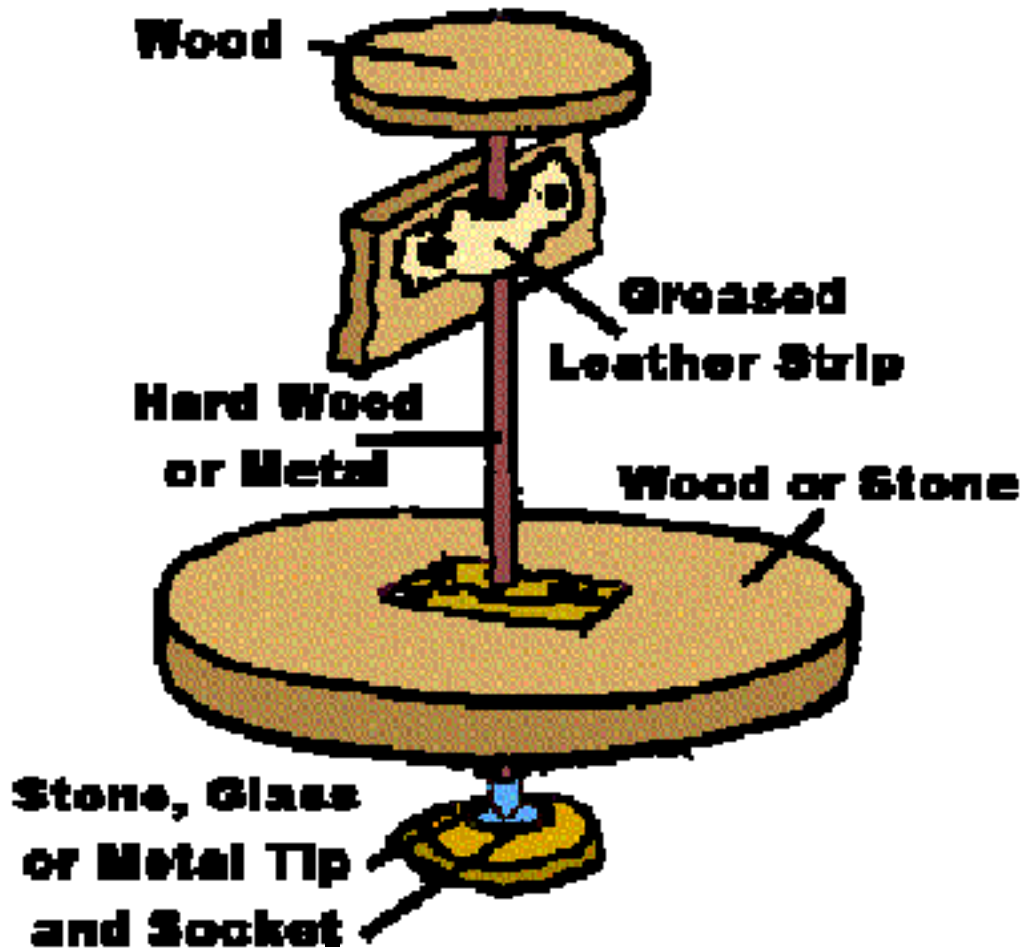

Ancient Egyptian pottery techniques as shown in tomb paintings c. 2000 BCE

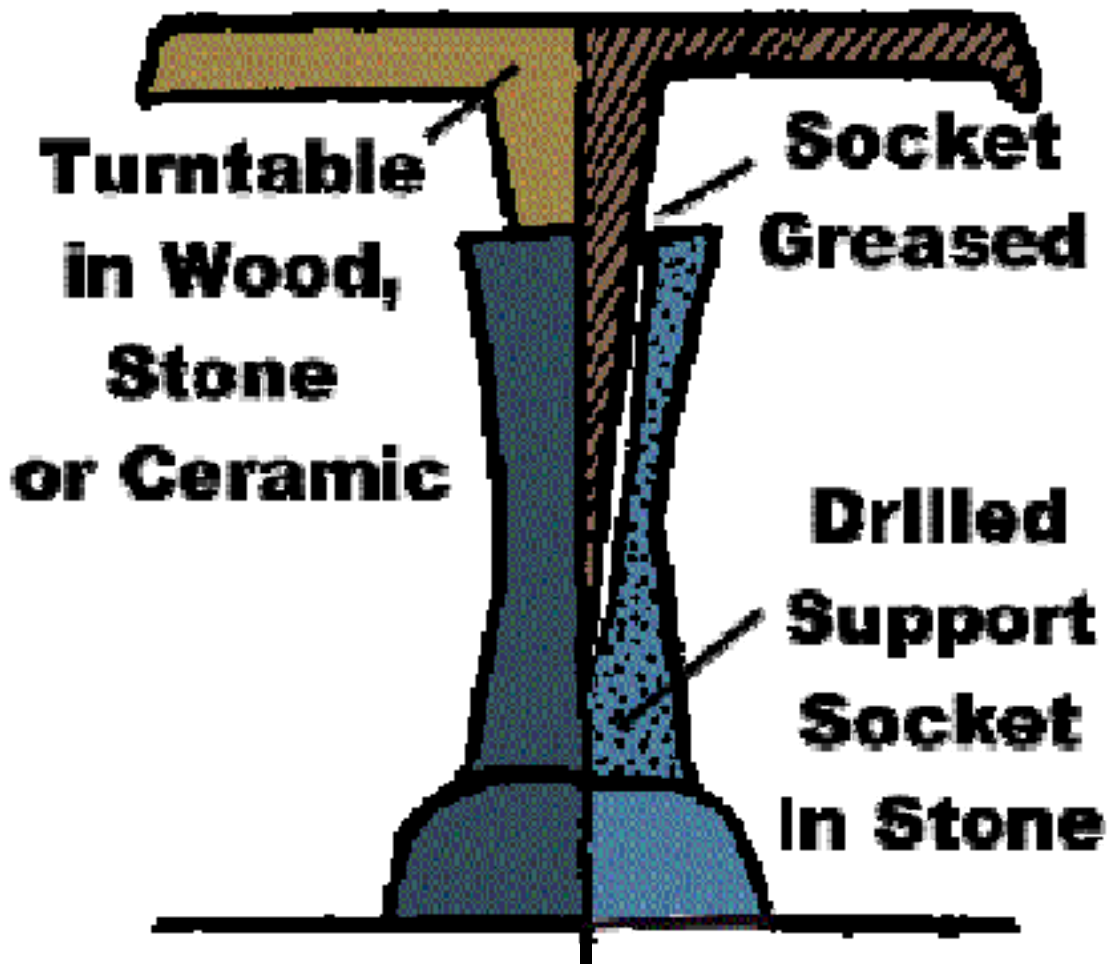

The man on the left appears to be wedging the piece of clay. The potter on the right cuts off a bowl from a hump of clay, using a string, while pulling round the turntable.

**Contemporary electric
potter's wheel**

Basic momentum wheel of the 19th century

Turntable from Ancient Egypt,
one of the first pottery wheels
used to make coil pots.
