Presidents Corner

Hello everyone!! Connie and I hope that you had a wonderful Memorial Day Weekend with your friends and family. I also hope that you took the opportunity to plan on coming to some of the activities that Mary & her great team have planned for the Lichtenfels Visit June 8-15. Especially plan on coming to the Sunday Picnic and fishing at the Karn's Farm and pond. It will be this year's Annual Picnic too, so it's a no cost activity for you and your family. Please RSVP as we are having it catered. Also, don't forget to bring your chairs...limited seating available. Attend what you want but just make sure you RSVP.

With the tornados that came thru Memorial day, we are glad to hear that no one was injured. If you have time to help or donate there are many places you can drop off items that are in need. If you are unable to bring anything and want to donate please contact myself or another Board Member and we will come by and pick it up.

Ice, water, coolers, food, feminine hygiene items, diapers, wipes, dog/cat food, plastic bins, soap and detergent are just a few items that are in need. The following are places that you can drop off these items or cash donations.

Morton Middle School, Christian Life Center and Davidson Garage, 5166 Wagner Ford Road, which is owned by one of our members Amber Weaver (this area was hit hard) and Northridge High School. These places are seeing that items are being dispersed to those who are in need. ~Dave Starline
