

With A Shout of Joy

Words and Music by Anthony Celia

Verse 1

May we be strengthened by the power of God
We find true mercy in his bloody cross
May we endure with patience and joy
Giving thanks to the Father
Who calls us his own

Chorus

He has delivered us from the darkness
He has clothed us in a cloak of righteousness
He has removed us from the pit of our sin
In him we have redemption, in him we live again

Verse 2

When we grow weary may we not run away
Help us remember the price that you paid
Keep us in faith day after day
Grant us the grace
To stay in this race

Bridge

We give thanks O, God
We give thanks O, God
For who you are
And what you do
We give thanks
With a shout of joy
