

Search Me

Intro: | : G | | D | | :

Verse 1

Take what these eyes have seen and cleanse from my memory

So that my mind can be wholly yours

Take what these hands have made, that toil from day to day

Striving to make their way on their own

Chorus

Search me and know my heart

Lord, I want to be more like who you are

If anything offends, remove it and cleanse me, Lord

Search me and know me, holy God
(Last time to Intro Chords and fade)

Verse 2

Take what this tongue has said, words full of emptiness
Replace its sentiment with Your love
Take what these ears have heard, that refuse to hear Your word
So take my life and turn my heart to Yours

Bridge

Hem me in behind and before

Lay Your hand upon me, Lord

I want nothing more, I want nothing more

Than to be Yours
