

ALEXEY TCHERNIAK

CURRICULUM VITAE

Phone: +375 (29) 611 33 82
E-mail: itcherniak@yandex.ru
Location: Minsk, Belarus
Profession: Graphics/GUI Designer
Public Portfolio: <http://www.coroflot.com/alexeytcherniak>

OBJECTIVE

Graphics/GUI designer with over 10 years in the field of IT and software development, willing to use my creative thinking and technical skills working full-time in the capacity of **Graphics/GUI Designer** in a market-leading IT company with opportunity of career growth.

ABOUT

I'm a sociable and active person with broad experience and extensive range of professional capabilities. My current activities are GUI design for Silverlight/WPF applications, development of Flash applications and graphics design for digital signage/mobile and touch-input devices.

My professional skills include knowledge of Silverlight/WPF technologies, XAML markup language, GUI development using both Microsoft Expression Studio and Microsoft Visual Studio 2010 and most of the popular graphics design tools like Adobe Photoshop, InDesign, Acrobat, and Illustrator. Also, I have broad experience with web development, advertising design, and typography. I enjoy creating beautiful graphics and usable design. Works shown in my portfolio are only small part of what have been done for the last years.

I'm self-dependent, communicative person with good sense of humor. I like to study and able to learn fast. Ready to work in a team and to adapt in a quickly changing environment. I'm married, have 2 children, non-smoker. I go in for active sports.
