

All Star Show 2 Check In Times...

*If you need to set stuff up in the back for your dancer's costume changes you are welcome to go back to set up prior to check in time or after check in time based on what's most time efficient.

*If your dancer is in multiple numbers, please have them dressed in their first number based off of the show order and check in with that group. You (or your dancer if they can do it on their own) are also responsible for their costume changes.

*If you have multiple dancers, please check them in at their appropriate class time and not together so we can make sure all classes go backstage together.

*Please get your flowers and take your seat after checking in your dancer.
