# BIG JIM'S GEMS

As a student and avid reader of history, particularly American History, I am aware of two important facts. One is *historical cycles*. Well did Solomon say, "There is nothing new under the sun." You've heard the cliches: *With every action there is a reaction; What goes around comes around; You reap what you sow*. All these thoughts center upon the idea of historical cycles. The second fact is *historical ignorance*. By and large, people do not know their history, let alone anyone else's history! These two facts lead to a self-defeating conclusion: *history repeats itself!* Historical ignorance creates a vulnerability to misleading and erroneous information. As a sequence, history cycles! Usually, societies never really learn how to make the necessary adjustments and changes that would be beneficial and profitable to society. Of course, there is the rub: *profits! Follow the \$\$\$!* Because of the corruptness of the human heart and soul, most of what we do is motivated by these questions: *What's in it for me?* or, *How can I benefit from this?* Since the Garden, it has been **all about me!** But for *the follower of the way*, it is all about Christ, and **Christ alone!** As we prepare to celebrate the founding of our nation, to whom is your first allegiance? Remember that believers are members of two kingdoms: the eternal and the earthly; but it is far better to die for Christ than country. The way things are looking right now, we may get the chance to do both! God help us! God bless America! Speaking of patriotism, a big **THANK YOU** to Flora Jean Boothe for the suggestion of our flag display pictured on the front cover! THANKS, also to Kevin Glidden for the prayer bench, also pictured, presented in memory of his grandfather, Shelby Bundick. VBS is right around the corner, July 29 - Aug 2. Sign-up is available on-line at our website: [webcbeaumont.org](http://webcbeaumont.org). We have classes for ages 4 years through 6<sup>th</sup> grade.

 Christian Life Crisis Intervention, Inc. is heavy on my heart. Since our director, Dion Ainsworth, passed away May 18, being the president, I have had to assume major parts of his role. CLCI has already begun the search for a new director. But we have many needs. CLCI began life 26 years ago under Dion's directorship, as a nonprofit, 501-3C ministry of the Golden Triangle Baptist Association. The focus was a nationwide suicide hotline operating 24/7. After about 3 successful years the ministry went dormant. With the donation of a boarding house in Port Arthur, CLCI sprang back into life through Shepherd's Inn, serving families of inmates housed in Southeast Texas prisons. From the boarding house to the present location (the old Gaspard Nursing Home in Port Acres, Tx.), Shepherd's Inn is now the largest facility of its kind in the country. It can house and feed 165 persons every night! In a disaster, it can add 100 more beds! CLCI also operates Calvary House, a 4-unit apartment complex for homeless families with children! And, our goals include doing more types of social outreach. By charter, CLCI cannot charge for its services; they are free. CLCI exists only through donations and gifts. In honor of Dion Ainsworth's sacrificial service to CLCI, we have begun the Dion Ainsworth Endowment Fund. An immediate goal is one million dollars in cash and property! We can use your help! Bless you for all you do for our Lord and His kingdom! In Christ Alone!  
 Big Jim
