VERSE 2

From God our heavenly Father
A blessed angel came;
And unto certain shepherds
Brought tidings of the same.
How that in Bethlehem was born
The Son of God by name.
O tidings of comfort and joy,
Comfort and joy,
O tidings of comfort and joy!

RAP

I know that you're weary, I know that you're tired
I see the hurting and I see the fake smile.
I see the frustration, I see all the tears
But don't worry, cast away doubt and fears
Even when bank account is getting low
Even when dark and you feel all alone
Even when pain courses through all your bones
Even if it feels like you've lost control
But what we're told, He has appeared
Those who are weak, He draws them near
When skies are dark, He makes them clear
With Christ on our side, whom shall we fear
The Son will break through all this dark
The healer will mend broken hearts
He has conquered our death
He has given new breath
The Light of the world, has come

VERSE 3

Now to the Lord sing praises,
All you within this place,
And with true love and brotherhood
Each other now embrace;
This holy tide of Christmas
Brings us redeeming grace.
O tidings of comfort and joy,
Comfort and joy,
O tidings of comfort and joy!
